Teamwork & Leadership

Athlete

China Basketball Association, Tianjin, CN

NCAA Division I (D-I), University of Missouri – Columbia / Niagara University (NY)

Began collegiate career as a two-sport athlete at the University of Missouri in Columbia in the Big-12 Conference. As a track & field and basketball athlete, developed leadership skills, teamwork, persistence and perseverance while competing against a collection of the best athletes in the country.

Later, transferring to Niagara University in New York to continue education in an esteemed MBA program in the New York State as well as an athletic career as a 3 year letterman, 2x team captain and 1 time Co-Sixth Man of the Year in the MAAC Conference, scoring a cumulative of 766 points in just 3 seasons and finishing top-10 in three-point field goals made in the school's 88 year history.

NU Athletic Alumni Association

Congressional Black Caucus,

United Way, Volunteer

Sports Collaboration (pro bono)

Jordan Brand (Nike, Inc), Portland, OR

Collaborated with senior leadership and director level individuals within the Jordan Brand entity of Nike, Inc. for 5+ years. These efforts included external exercises including brand sponsorship of collegiate programs in the NCAA, expanding visibility in grassroots and external views of company offerings. Participated in visual and written (storytelling) treatment exercises for athletic campaigns and activations in the basketball sector.

Professional Experience

Sr. Network Marketing Manager

Union Pacific Railroad, Omaha, NE

11/2017 – 5/2019

As Sr. Network Marketing Manager, my proficiency derives within multiple marketing strategy points: B2B, B2C, relationship marketing, 360° marketing, content marketing, inbound marketing. A role which leads a team during the creating solution process for external, world-class industry partners who solicit the need for product and service distribution by rail. Transforming those plans into continual engagement nationally. Find, manage and evaluate approx. 30, tier 0 accounts across the Northern, Southern and Western states incl. border interchanges of Mexico and Canada.

- Created and implemented one of Union Pacific's marketing campaign of 2018 ("Second Week Program") with emphasis in behavioral, agile and touchpoint marketing strategies; guaranteeing better on-time delivery percentages of customer product.
- Organized content with senior-level directors on identifying risk indicators through customer feedback
- Implemented Lean Business Development principles with customer feedback, increasing on-time performance satisfaction rate from 81% to 95%. Awarded Extra Mile Award from EVP in recognition.

Sr. Premium Accounts (Operations) Manager

4/2016 – 11/2017

Union Pacific Railroad, Portland, OR – Oakland, CA – Salt Lake City, UT

An efficient cross-functional liaison between customer and Union Pacific's 3 Western region offices. Daily functions involve managing workflow, personnel management, create regional reports/timelines for upper-management deliverables. Also, research of product offerings and competitor price points, tracking key milestones and continuous employee relationship building. Other primary focuses include capacity planning, KPIs, resource planning, schedule management, producing continual on-time performance (SLAs) to the customer and maintaining strong relationships with stakeholders of customers as a brand ambassador.

- Project management on an 18-month system improvement project using automated technology at Portland's largest multi-lane Intermodal facility.
- Created 2 training modules for field managers
 - Effective Communication- 4-hour course
 - Performance Review- 2-hour course

Manager of Territory Operations

6/2011 – 4/2016

Union Pacific Railroad, Portland, OR

Role responsible for identifying new business ideas, prioritizations and delivery methods for train and locomotive operations in logistical aspects, including critical decision-making, coordination with network dispatching, creating progress reports, personnel scheduling and project managing. Managed relationships with competitors, 125 direct reports and large revenue material handling. Development of service knowledge to present deliverables for operational advisements to customers. Cultivated close and productive relationships with auto partner sites for auto off loading facilities for General Motors, Toyota, Nissan, Ford. Required coordination in top-to-top relationship form to create and present material on target markets and potential growth. Managed employee schedules and administrative adjustments.
